

MARCINELLE TRIP 22-24 May 2009

We are returning to Marcinelle, Belgium to defend our title as "Top Club" for the third time and to lift the Grand Prix du Casier. This is a popular trip with up to 70 players and 70 supporters involved.

The youngest 2 age bands (born in 99/00 or born in 97/98) are run in pools of four/five to the closest weight so that each player gets a medal and a fantastic experience.

The older children (born in 95/96 or born in 93/94) are on the usual double repechage system and need to be a minimum grade of green belt 1 tab (10th mon).
